

CaTS (Calcium Thiosulphate)

0-0-0+10(S)+6Ca

Read entire label prior to use.

Guaranteed Minimum Analysis:

Sulphur (S):..... 10.0 %

Calcium (Ca):..... 6.0 %

Directions:

This product should be used as part of a complete fertilizer program. Plants will require additional sources of major and possibly secondary and minor nutrients.

Precautionary Statement: Avoid prolonged or repeated contact with eyes, skin and clothing. Chemical goggles or a full face shield should be worn. To protect skin wear appropriate protective equipment, such as rubber or plastic aprons, rubber gloves and boots. Avoid breathing mist or vapor. Keep containers closed. Wash thoroughly after handling. May cause gastrointestinal distress if swallowed.

The user should seek advice of a professional in the industry for further information.

This product should only be used by commercial producers.

Do not apply in hot conditions.

Jar test before mixing with other products.

CaTS is meant to be used as a soil application of calcium except under specific conditions. Seed label guide at <https://cropvitality.com/en/media/68/download?attachment> for recommendations on foliar application.

Mix well prior to use. Half-fill application tank. While agitating, slowly add product. Continue filling tank. Agitate while applying product. Apply product immediately following mixing.

SELLERS LIMITED WARRANTY

SELLER warrants only, to the extent required by law, that the product contained herein is as described on the packaging and the contents meets regulatory standards within recognized tolerances. Seller disclaims all other warranties or guarantees expressed or implied including implied warranties for merchantability and fitness for a particular purpose. No performance result is guaranteed and under no circumstances shall Seller be liable to a purchaser or user for any amount in excess of the amount paid for the product. This disclaimer includes for any loss including loss of profit, indirect, incidental, special or consequential damages including property damage. Any claim must be reported within 30 days of discovery and adequate evidence must be available and visible upon inspection by Seller to prove a claim including proof of no tampering or no claim will be allowed. By using this product Buyer agrees to these terms and conditions.
