

Stage 1 *plus*⁺ Starter 10-32-0

GUARANTEED MINIMUM ANALYSIS:

Total Nitrogen (N):..... 10.0 %
Available Phosphoric Acid (P₂O₅):..... 32.0 %

DIRECTIONS FOR USE:

- This product can be used for fertigation. The user should seek the advice of a professional in the industry for further information.
- If used for foliar application, this product should be used only as part of a complete fertilizer program. Plants will require additional sources of major and possible secondary and minor nutrients.
- This product should only be used by commercial producers.
- Jar test prior to mixing with other products.
- This product provides nutrients as follows (see table):

Gal.	kg N	kg P ₂ O ₅
1	0.5	1.7
2	1.1	3.4
3	1.6	5.0
4	2.1	6.7
5	2.6	8.4

Caution for Application via Irrigation Systems:

Terralink Horticulture Inc. warrants that this product meets all requirements of the Fertilizer Act with respect to quality and analysis. Terralink Horticulture Inc. shall assume no responsibility for misuse or misapplication of this product. It is the responsibility of the grower to ensure that the rates and application methods are appropriate for their crop and locale. Growers should check with their local authority with respect to safety and backflow prevention equipment. If this product is to be injected into an irrigation system, check with the manufacturer of your drip tape to determine the proper filtration for the size of the emitters. It is recommended to have your water tested for potential reactions with the fertilizer. Always run a clear water cycle after fertigating to minimize salting out issues in the emitters and reduce risk of reaction with a subsequent application. If you are unsure of any aspect of the fertigation process do not continue until you are clear on all points.

Read entire label prior to use.

PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN. Avoid splashing product. Avoid contact with skin, eyes and clothing. Harmful if swallowed. Avoid contamination of domestic or irrigation water supplies, lakes, streams and ponds. Wash hands and exposed skin with soap and water. Wear protective gloves, protective clothing and eye protection.

FIRST AID: IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor immediately for treatment advice. IF ON SKIN: Take off contaminated clothing. Rinse skin immediately with plenty of water. Call a poison control centre or doctor immediately if symptoms persist or increase.

STORAGE: Store in its original container tightly closed and away from children and pets. Store in a cool, dry place.

DISPOSAL: Dispose of product/container in accordance with local, provincial/state and federal regulations.

Conditions of Sale: This product has a limited warranty. Acceptance of product constitutes agreement to terms and conditions listed on invoice and www.tlhort.com.

Conditions de Vente: Ce produit a une garantie limitée. L'acceptation du produit constitue l'acceptation des termes et conditions indiqués sur la facture et sur www.tlhort.com.
