

Top-30 K

0-0-30

EarthLink Top-30 K is a highly available form of liquid potassium along with fulvic acid. High-quality raw materials, a unique manufacturing process and the addition of actual fulvic acid provide this product with an excellent ability to cross the membranes of plant cells to easily penetrate into the leaves in addition to enhanced nutrient uptake through the roots. Top-30 K provides rapid uptake and utilization of potassium during the plant's critical stages such as germination, plant growth and fruit and grain development. High levels of plant potassium increase sugar production and translocation and accelerate fruit and grain maturity. Since Top-30K is chloride-free, it does not damage crops or soil.

GUARANTEED MINIMUM ANALYSIS:

Soluble Potash (K_2O): 30.0 %

DIRECTIONS FOR USE:

Stir or shake well before use.

Foliar: (For vegetables, fruit crops, orchards and vineyards)

Apply Top- 30K, 1 to 2 L per acre in enough water for thorough coverage. Repeat every 2-4 weeks if needed.

Soil:

Top-30K can also be applied, pre-plant, as a starter, side dress, fertigated or banded on surface. Dilute with enough water for a uniform distribution and coverage. As a pop-up and in furrow ¼ to 1 Gallon per acre

Vegetables, Fruit Crops, Orchards and Vineyards: 2-4 gallons per acre

CAUTION:

Please avoid spraying Top-30K close to harvest as it may leave brown residues.

Always check compatibility before mixing Top-30K with other products. DO NOT use when the crop is under any kind of biotic or abiotic stress.

PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN. Avoid splashing product. Avoid contact with skin, eyes and clothing. Harmful if swallowed. Avoid contamination of domestic or irrigation water supplies, lakes, streams and ponds. Wash hands and exposed skin with soap and water. Wear protective gloves, protective clothing and eye protection.

FIRST AID: IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor immediately for treatment advice. IF ON SKIN: Take off contaminated clothing. Rinse skin immediately with plenty of water. Call a poison control centre or doctor immediately if symptoms persist or increase.

STORAGE: Store in its original container tightly closed and away from children and pets. Store in a cool, dry place.

DISPOSAL: Dispose of product/container in accordance with local, provincial/state and federal regulations.
