

Seed Booster

1-2-1 + micros

Seed Booster is an organic formulation in a fine powder form, designed to be evenly coated on seeds. It is a natural formulation designed to promote vigorous seed growth from the very start. It aids in creating a micro-environment around the seed during early phases of germination to enhance establishment. In addition to nutrients, it is also a rich source of organic matter and humic acids. Seed Booster helps minimize mortality and environmental stress. Suitable for use in organic farming according to the Canadian Organic Standard - Inspected by Ecocert Canada.

GUARANTEED MINIMUM ANALYSIS:

Total Nitrogen (N):	1.0 %
Available Phosphoric Acid (P ₂ O ₅):	2.0 %
Soluble Potash (K ₂ O):	1.0 %
Calcium (Ca):	3.0 %
Copper (Cu) (actual):	0.25 %
Manganese (Mn) (actual):	0.15 %
Boron (B) (actual):	0.25 %
Molybdenum (Mo) (actual):	0.0374 %
Zinc (Zn) (actual):	0.5 %

DIRECTIONS FOR USE:

Cereals, Oilseeds, Bean and Lentils: Use 400 – 500 grams (1-1.25 lbs) per bushel.

Vegetables: Mix Seed Booster with seed at 1.5 - 2 gm per kg by weight.

For ease of application, measured quantities of Seed Booster can be added to the drill hopper while running the fan at high speed to coat the seeds.

Companion Product: To ensure proper seed coating use 55 – 70 grams (2-2.5 oz) of RapiGro per bushel of seed, mixed with 85 – 115 grams (3-4 oz) of water as a mist.

Application should be made according to foliar and/or soil test results. User should seek the advice of an agricultural representative or a professional agricultural consultant.

CAUTION: This product contains copper, manganese, boron, molybdenum and zinc and should be used only as recommended. It may prove harmful if misused.

PRECAUTIONS: Keep product out of reach of children and pets. Do not ingest product. Do not use as animal feed. Avoid contact with skin, eyes and avoid inhalation of spray/dust. Wash hands and exposed skin thoroughly after handling. Test compatibility with other products prior to use.

FIRST AID: If exposed or concerned, call a poison control centre or seek medical attention/advice.

STORAGE: Store product in a cool, dry place in original container.

DISPOSAL: Dispose of product/container in accordance with local, provincial/state and federal regulations.

Conditions of sale: This product has a limited warranty. Acceptance of product constitutes agreement to terms and conditions listed on invoice and www.biofert.ca.
