

Orchardgrass/Tall Fescue Blend Forage Mix

- Coastal
 - Medium maturing
 - Performs well in both wet and dry conditions
- For:*
- Hay
 - Silage
 - Grazing

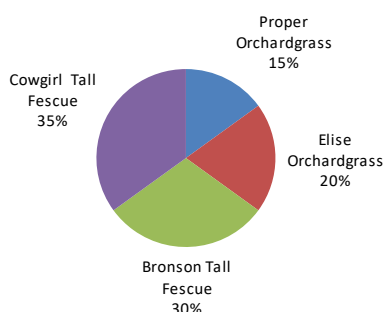

Premium Orchardgrass/Tall Fescue Mixture is designed for intensive hay, silage, and grazing situations. This blend contains improved orchardgrass, along with premium tall fescue varieties. The mixture is a medium maturing highly productive forage blend.

This mixture comes in 20 kilogram bags and should be seeded at 30-35 pounds per acre, depending on seeding conditions and desired growth density.

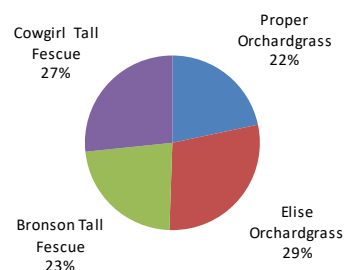

Richardson Seed forage mixtures *do not* contain endophyte-enhanced grasses.
